

Create a Personalized Calendar

Looking for something customizable? You're in luck! With this calendar, the sky's the limit!

1. Laminate your calendar to make it compatible with dry erase markers.

OR...

2. Laminate, add velcro and attach customized photos for non-readers.

OR...

3. Tape sides one and two together and post to the wall for a family calendar.

OR...

4. Keep sides one and two apart for a calendar that can travel in your school folders.

OR...

5. Create your own variation that works best for YOUR needs!
