

Dear Valued Client,

In compliance with the No Surprises Act that went into effect on January 1, 2022, healthcare consumers who don't have insurance or who are not using their insurance have a right to receive a Good Faith Estimate for the total expected cost of any non-emergency medical items or services. The No Surprises Act also requires us to notify all healthcare consumers when services are rendered by a non-participating provider and provide options to receive care from an in-network provider if one is available. Please read the [Disclosure Notice Regarding Patient Protections](#) to better understand your rights.

Additionally, we are required to provide you with a Good Faith Estimate of the cost of services for the duration of treatment. It is difficult to determine the true length and nature of treatment for certain types of health care. Attached is our best estimate based on what is most typical at Intuition Wellness Center. **Please read and sign the Good Faith Estimate which follows.** This estimate is provided in an effort to be as transparent as possible about your potential financial investment in services at Intuition Wellness Center.

You may incur fees throughout your care at Intuition Wellness Center that are in addition to costs associated with direct services. These fees may occur due to the following (not an exhaustive list):

- Late cancellation/no show fee
- Medical records request
- Completion of documents (FMLA, disability, summary letters, etc)
- Consultation/Case Management (IEP meetings, coordination of care, etc)
- Subpoena & Court Orders (request to testify)

**For a complete list of fees, please see our online [Pricing Schedule](#).**
